

Minority-Serving Institution application for travel support to PhysTEC Conference

Thank you for your interest in the PhysTEC Conference. We are committed to supporting minority-serving institutions that wish to become leaders in physics teacher preparation, and are offering a limited number of stipends of up to \$1000 to qualified institutions to support travel to the conference. If you wish to request a stipend, we ask that you fill out this brief application. Please note that your institution will also need to be a PhysTEC Member Institution in order for your request to be considered. Information on how to become a member is available at www.PhysTEC.org. If you have any questions, please email the PhysTEC Coordinator at PhysTEC@aps.org

Name of Institution: Is institution a PhysTEC Member Institution?

Average number of physics **majors** in past three graduating classes:

Name(s), department(s), and title(s) of person(s) requesting support:

Please describe the minority population(s) served by your institution, including percentages of all student demographic groups and/or designations or certifications that the institution is minority-serving.

Please describe current physics teacher preparation efforts at your institutions.

Please describe how attending the PhysTEC Conference will help you improve your institution's physics teacher preparation program, being as specific as possible.

Please add any additional information you would like us to consider.
